Register

- Admin can register and access the dashboard directly.
- Teacher can register; if the email is already in use, they must go to the login page.
- Student registration requires **Admin approval** before accessing the dashboard.

Login

- Showing wrong password or not register, either re-register or go to forget password.
- Still not working? Mail your info to sarika99770@gmail.com.

Recovery Account

- If a registered student/teacher is removed by Admin, login shows “*Removed by Admin*” and redirects to the Recovery Request page.
- User submits a request to restore their deleted account instead of registering anew.
- Admin approves the request, after which the user can log in and access their dashboard.

Admin

- Admin can add new teacher, using email and password, add info.
- Only Admin can approve new or recover id's of students.
- Admin can update or delete teacher info.
- Only Admin can approve removed teachers.

Teacher

- Teacher can make appointments only to approved students.
- Pending students won't be shown in appointments
- Teacher can log in immediately after registration. If removed by admin, make recovery request.
- Teacher approves student appointment requests.
- Teacher can mark appointments as *Completed* or *Delete* them.
- Once an appointment is deleted, it cannot be recovered.

Student

- Only approved students can log in to their dashboard.
- Students can make appointments only with active teachers.
- Students can delete their own appointment requests before teacher approval.
- Once an appointment is approved by the teacher, the student cannot delete it.
- Student dashboard always shows the current status (Pending / Approved / Deleted).
